Enter your child's card ID – this will be on the back of your child's membership card, underneath the barcode and will start with 'X' Click 'Find member'

## Click on the drop down box and choose a security check question

Enter security check information and click on 'Confirm'

Fill in the requested information to complete the registration process. Then read and tick the Terms & Conditions and then click 'Confirm'

Click on 'Continue' if you only have 1 child **OR** if you wish to link another child click on 'Add another member' and follow the previous process until you come back to this screen

Once submitted, you will receive the below message

You will receive an activation email from our system provider- please check your spam folder if needed. FROM: GoLearn <u>noreply.notification@coursepro.co.uk</u>

The email will read:

"Dear XXXX

Welcome to Home Portal, your online account that allows you to view progress at Xcite XXXX.

Please click on the following link to activate your account. For security reasons, you will be asked to provide either the postcode or date of birth of the member. <LINK>

You are receiving this email because you have recently purchased lessons with us. "

## *Please click on the email link to register your child onto ParentPortal

You have successfully logged into ParentPortal
